Brittany Franks

2011 Female Award Recipient

The **United Age Group Track Coaches Association** (UAGTCA) is proud to present its 2011 *Madeline R. Willette Memorial Scholarship* to **Brittany L. Franks**.

Brittany is a member of the *Mallery Challengers Track Team* and has participated in the UAGTCA and the Philadelphia Express Cross Country programs since 2004. Her races include the 3000, 1500 and 800 meter runs. Her personal best time in the 1600 Meter Run is 5:28 and 2:21 in the 800 Meter Run. Brittany's accomplishments also include winning the District 12 Team Championship in Cross Country in 2007, and in 2009, she was the District 12 Champion in the 800 Meter Run.

The UAGTCA is pleased to see that many of its athletes have done very well, scholastically, and Brittany is one of them. She graduated from the Philadelphia High School for Girls in June with an impressive 3.76 GPA! In this era where high technology rules in practically every aspect of life, Brittany has answered the call by excelling in Computer Programming during her senior year.

Brittany says that she worked hard in school and the end results made it all worthwhile. She says that participating in track and field has shown her that hard work does pay off. She has applied the lessons she learned by her participation in track and field to her education, as well as other areas of her life, and has proved that hard work and determination has paid off every time.

It is very fitting that the UAGTCA has awarded the *Madeline R. Willette Memorial Scholarship* award to Brittany while on the grounds of Widener University because, we are also proud to say that she has been admitted into the Early Elementary Education and Special Education program in the School of Human Service Professions at Widener University!!! Congratulations **Brittany!!!!!!**
