Markeeta Thomas

10th Anniversary Youth Invitational Female Scholarship winner!

The United Age Group Track Coaches Association (UAGTCA) is proud to present its **10th Anniversary Youth Invitational Scholarship Award** to Ms. Markeeta Thomas.

Markeeta has participated in the UAGTCA as a member of Cambria Youth Association since 2007. She was coached by Walt Pegues and Glenn DeLee. Markeeta attended Paul Robeson High School where she was a member of its track team, coached by Tim Hickey and Walt Pegues. She graduated from Paul Robeson HS in June 2015. We are proud that Markeeta has been accepted, and is currently attending classes at Clemson University in South Carolina.

Markeeta is a record holding hurdler. Her honors, awards, and recognitions include:

- Set the PIAA AA State record in the 100m hurdles at 14.03
- Set the PIAA AA State record in the 300m hurdles at 41.74
- All-State honors in the 100m hurdles
- All-State honors in the 300m hurdles
- PIAA AA State Champion in the 100m hurdles and 300m hurdles
- Member of the PIAA AA State Champion 2014 Girls Track and Field Team at Paul Robeson High School
- Member of the PIAA AA State Champion 2014 4x400 relay team at Paul Robeson High School
- PIAA District XII AA Champion High Jump, 4x 100m relay, 100m hurdles and 300m hurdles

We are happy to see that another athlete, who participated in the UAGTCA program, has continued to achieve. One would say that Markeeta has track and field in her blood. Her parents, Mark and Octavia were accomplished athletes in track. Her older sisters, Tyeshia and LaTavia have achieved honors in state championships, multi-year college All American, and Olympic trial finalists. We're excited to see what Markeeta's future accomplishments will be!

The UAGTCA wishes Markeeta continued success at Clemson and in her endeavors in track and field, and is proud to award the **10th Anniversary Youth Invitational Scholarship** to her!
