

## United Age Group Track Coaches Association

10th Anniversary Youth Invitational

The Madeline Regina Willette  
Scholarship Award Committee  
Congratulates

# Sean C. Stovall

### 2015 Male MRW Award Recipient

The United Age Group Track Coaches Association (UAGTC) is proud to present its' 2015 Male **Madeline R. Willette Memorial Scholarship Award** to Mr. Sean Stovall.

Sean has participated in the UAGTC and Philadelphia Express Cross Country series for 5 years beginning in 2006. He is currently a member of the Mt. Airy Track Club under Head Coach Teri Bizzle, coached by distance coach Lloyd Sharpe. Sean says that his participation in the UAGTC, Philadelphia Express and Mt. Airy organizations has been life changing and helped him to become the man he is today.

Sean graduated from Springfield Township High School (Montgomery County), in June 2015 with a GPA of 4.0. He was a member of Springfield's Track and Field and Cross Country teams.

Although Sean excelled in AP Spanish, he will pursue a teaching profession in Mathematics. He is attending Widener University pursuing a degree in Education with a goal of attaining a Master of Science degree in Mathematics.

Sean was a volunteer camp counselor responsible for the well-being of 5 and 6 year old campers. He also volunteers the Keystone Hospice. But the majority of his volunteer work has been with the Philadelphia Express Country meets, and the UAGTC indoor, outdoor and invitational meets.

Sean has participated in many sports including soccer, football, basketball, and track and field, and cross country. His strengths are in the distance running events. He actively participates in the 800 MR, 1500 MR, and distance relays, but his strongest event is the Steeple Chase. He is a two-time AAU National Club Steeple Chase Champion, and has won PIAA District 1 Championships in the 3200 Meter Run, 1600 Meter Run and 1600 Meter Relay, and Suburban One Cross Country 2<sup>nd</sup> team.

Sean acclaims Coach Lloyd for his success in track and field. Coach assured him that he had plenty of potential but he had to be patient in order to reach his full potential. He also gives praise to his parents, Earl and Robin, for encouragement. In Sean's words, *"I remember when I was trying to make a name for myself, I talked to my parents about setting my goals, but they told me that it all starts at practice and that the best runners didn't get good overnight. I took that to heart and started working hard in practice, showed that I had a positive attitude, and never gave up."*

We are looking forward to seeing Sean's continued academic and athletic achievements at Widener University.

The UAGTC wishes its' volunteer Sean continued success, and is proud to award the 2015 Male **Madeline R. Willette Memorial Scholarship Award** to him!
