

United Age Group Track Coaches Association

11th Anniversary Youth Invitational

The United Age Group Track Coaches Association (UAGTCA) is proud to present its 2016 **Madeline R. Willette Memorial Scholarship Award** to **Mr. Terrell Pegues**

Terrell, a member of Cambria TC, has participated in the UAGTCA program for 8 years beginning in 2004. He was coached by his dad, Walt Pegues, head coach of the club and Mark Thomas, assistant coach. Terrell is the second member of his family to receive the scholarship. His brother, Walter, Jr., was our award recipient in 2014. Needless to say, their parents, Walt and Stacy are proud of their sons!

Terrell attended Parkway Northwest High School in Philadelphia PA and graduated with a GPA of 3.40. He is a member of the National High School Honor Society! Terrell will further his education at Delaware State University pursuing a Bachelor's degree in Information Technology.

Terrell's athletic honors include:

- UAGTCA Outstanding Athlete
- AAU Jr. Olympics Finalist on the 4x800 Meter Relay Team
- AAU National Finalist in the 800 Meter Run
- AAU Medalist in the Shot Put

Terrell's extra-curricular activities include participation in:

- Captain of the Martin Luther King, Jr. HS football team
- Member of the MLK HS Baseball and Basketball Teams
- Captain of the Mt. Airy Bantams Football Team

"A leader is one who knows the way, goes the way, and shows the way."

Terrell will never forget those words which his youth football coach, Greg Townsell, often told him. Terrell was the captain of the Mt. Airy Bantams football team and he credits his quarterback position with becoming a better leader, a better teammate, and a better person. Terrell is an active member in his church serving as a Junior Usher and Mentor. He praises his parents and coaches who have taught him that a good education is the key to success.

Excellence in education and athletics are what Madeline R. Willette stood for and Terrell fits the bill. The UAGTCA wishes Terrell continued success at Delaware State University, and is proud to award the 2016 Male **Madeline R. Willette Memorial Scholarship Award** to him!
